Day 4 - May 20 – Tuesday - Disney Magic – Castaway Cay

- Formal Night
 - Guest ashore – 8:30 AM
 - Guest onboard – 2:45 PM
-
- From start to finish, your day at Castaway Cay is full of delightful discoveries. Be sure to bring along the Castaway Cay-vents schedule found in your stateroom. Here are just some of the noteworthy locales and activities:
 - **Pelican Plunge**
Swimming distance from shore is the new 2,400-square-foot floating platform—adorned with nautical flotsam and jetsam. At this water-play area and platform, which celebrates the island's native pelicans, take a ride on one of the 2 twisting water slides and end up in the refreshing lagoon. Or, get soaked by the giant "bucket dump" that delivers hundreds of gallons of water on eagerly awaiting bathers beneath.
 - **Spring-a-Leak**
Cool off at the brand-new, 2,400-square-foot water play area and find yourself immersed in what appears to be the remnants of a washed-away beach dwelling. The watery fun begins as you enter the storm-ravaged structure. Be greeted by dripping pipes, broken plumbing and hissing misters that have been exposed and twisted by the tropical tempest that wiped out the original structure.
 - **Scuttle's Cove**
The youngest cruisers will enjoy this sandy play spot, a "hub" of youth activities supervised by Disney counselors from the ship. Scuttle's Cove now features a new whimsical water play area: a 1,200-square-foot soft wet deck area provides fresh-water fun with an array of pop jets, geysers and bubblers. With organized activities and Monstro's Point—a giant whale-bone excavation site—kids will be delighted all day long. (A limited number of all-terrain wheelchairs can be obtained here.)
 - **Marge's Barges & Sea Charter Dock**
Charter a boat and then get on board for offshore recreation like snorkeling, fishing, parasailing and sightseeing in Castaway Cay's clear blue waters. Vessels include a glass-bottom boat, a fishing boat and a power catamaran. To accommodate additional excursion boats for parasailing, fishing tours and more, this area has recently been expanded.
 - **Grouper Game Pavilion**
Play all day in this fun-filled, shaded recreation area featuring complimentary foosball, ping-pong, pool, shuffleboard, basketball, golf wiffleball—even monster chess and checkerboards! Play classic sand sports at Goofy's Sand Lot nearby.
 - **In Da Shade Game Pavilion**
Take a break from the sun to play games, such as table tennis, foosball, billiards and basketball, at this new shaded structure centrally located near Castaway Family Beach.
 - **Sports Beach**
Meet at the Sports Beach for beloved beach pastimes, including volleyball and tetherball.
 - **Character Greetings**
Throughout the day, meet and befriend some favorite Disney Characters at the Post

Office, Gazebo, gangway and elsewhere on Castaway Cay. And don't forget: These are perfect moments for photo ops!

- **Gil's Fins and Boats**

Rent snorkel gear for all family members, along with kayaks, paddleboats, aqua trikes and other water equipment for your day as a marine adventurer.

- **Flippers & Floats**

Rent inner tubes, snorkel masks and fins from this festive location.

- **Snorkeling Lagoon**

Snorkelers of all skill levels will be enchanted by the undersea realm of marine life off Castaway Family Beach. Novices can follow the Discover Trail, and more experienced snorkelers the Explorer Trail. Keep an eye out for the hidden Mickey.

- **She Sells Sea Shells...and Everything Else**

Be sure to stock up at this gift shop featuring exclusive Disney Castaway Cay T-shirts, polo shirts, hats, pins, key chains, magnets and towels—and have Disney cruise staff deliver your purchases to the ship.

- **Buy the Sea Shore**

Pick up a variety of Castaway Cay-exclusive items, along with towels, sunscreen and other beach essentials. This new merchandise location is a complement to She Sells Sea Shells & Everything Else

- Possible: Glass Bottom Boat Scenic Voyage (C11)

- 1 hour
- Times: 9:45 AM, 11:15 AM, 12:45 PM
- \$35 per person

On this tour you will:

- Board the glass-bottom boat for a voyage out of the protected lagoon, to the North Side of the island, home to **Castaway Cay's barrier reef system**.
Note: This tour is available when weather permits.
- Next, gaze upon the mysteries under the sea—without ever getting wet! Through **viewing windows**, located in the bottom of the boat, look down and discover **tropical fish**, wondrous sea creatures and the coral reefs that protect the island oasis of Castaway Cay on this one-hour guided sea tour—perfect for the entire family.

Additional Information

- This tour is available to All Ages; since it involves a boat/vessel, infants under 3 years of age must have a child's ticket.
- Itinerary and visibility may vary pending weather conditions on the day.
